INDEPENDENT AUDITORS' REPORT

Board of Directors Pathway Caring for Children Canton, Ohio

Report on the Audit of the Financial Statements Opinion

We have audited the accompanying financial statements of Pathway Caring for Children (a nonprofit organization) which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pathway Caring for Children as of June 30, 2025 and 2024, and the change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pathway Caring for Children and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Pathway Caring for Children's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Pathway Caring for Children's internal control. Accordingly, no
 such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pathway Caring for Children's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2025 on our consideration of Pathway Caring for Children's internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of Pathway Caring for Children's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pathway Caring for Children's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Pathway Caring for Children (the Organization) is a nonprofit organization devoted to providing help to children and families through innovative foster care, adoption, and mental health services.

The financial statements of the Organization reflect the application of certain accounting policies described in this note.

Basis of Accounting

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Net Assets

Under the *Financial Statements of Not-For-Profit Organizations* Accounting Standards Codification, the Organization is required to report information regarding its financial position and activities according to two classes of net assets described as follows:

Net Assets Without Donor Restrictions – Net assets which are not subject to donorimposed restrictions. Use of net assets without donor restriction may be boarddesignated for specific purposes.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions that may or will be met either by actions of the Organization or passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires; that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Net assets with donor restrictions amounted to \$142,048 and \$312,440 at June 30, 2025 and 2024, respectively, and consist of the Organization's funds held for specific purposes and those that are perpetual in nature.

Revenues are reported as increases in net assets without donor restrictions unless the use of the related assets is limited by donor restrictions. Expenses are reported as decreases in net assets without donor restrictions.

Donor-imposed restrictions are released when a restriction expires; that is when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Assets Held by Community Foundations

The Organization carries a beneficial interest in assets held by Stark Community Foundation (SCF) and The Cleveland Foundation (TCF) at fair market value. Realized and unrealized gains and losses are included in the change in net assets in the accompanying statements of activities.

Income Taxes

The Organization is a nonprofit organization, exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and none of its present or anticipated future activities are subject to taxation as unrelated business income; therefore, no provision for income taxes has been made in the accompanying financial statements.

Concentrations of Credit Risk

The Organization maintains cash in bank deposit accounts, which at times may exceed federally insured limits. Insured accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each account ownership category. As of June 30, 2025 and 2024, the Organization had approximately \$1,641,827 and \$1,231,841, respectively, in excess of FDIC insurance limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk. Management believes it is not exposed to any significant credit risk on cash.

Accounts Receivable and Contractual Adjustments

Accounts receivable represent payment to be received for services provided by the Organization. The Organization has agreements with certain third-party payors that may provide for payments to the Organization at amounts different from its established rates resulting in contractual adjustments. Management uses a combination of historical loss experience, current economic conditions, and forward-looking information to estimate credit losses for financial assets. The Organization considered various factors such as borrower creditworthiness, loan-to-value ratios, and collateral values to estimate credit losses. These receivables are written off when deemed uncollectible. Recoveries of receivables for amounts previously written off are recorded when received. The allowance for current expected credit losses was \$40,206 and \$28,052 as of June 30, 2025 and 2024, respectively.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is computed for financial statement purposes principally on the straight-line method over the estimated useful lives of the related assets, ranging from 3 to 40 years. Depreciation expense amounts to \$46,101 and \$44,494 in 2025 and 2024, respectively.

Expenditures for major renewals and betterments which extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in ROU assets – financing and lease liability – financing in the statements of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term.

Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right-of-use assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

<u>Advertising</u>

The Organization participates in various advertising and marketing programs. All costs related to marketing and advertising the Organization's services are expensed in the period incurred. Advertising costs charged to operations were \$66,637 and \$39,636 in 2025 and 2024, respectively.

Functional Expenses

The Organization allocates its expenses on a functional basis among its programs and support services. Expenses that can be identified with a specific program and support services are allocated directly according to their natural expense classification. Other expenses that are common to several functions are allocated based on the best estimates of management. Allocations are determined based on estimates of time and effort required for each program.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

The Organization recognizes revenue from ticket sales at the time of admission. Sponsorships are comprised of an exchange element based on the value of benefits provided, and a contribution element for the difference between the total sponsorship paid and the exchange element. The Organization recognizes the exchange portion of sponsorships at the time of the event and the contribution portion immediately. The Organization records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place.

The Organization recognizes unconditional promises to give as contributions when cash, securities, other assets, or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met.

Contract revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing client care. These amounts are due from clients, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills the clients and third-party payors several days after the services are performed and/or the client is discharged from the program. Revenue is recognized as performance obligations are satisfied.

A portion of the Organization's revenue is derived from grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue over time when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the statements of financial position.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Organization believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. The Organization measures the performance obligation from admission into the program to the point when it is no longer required to provide services to that client.

Because all of its performance obligations relate to contracts with a duration of less than one year, the Organization has elected to apply the optional exemption provided in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 606-10-50-14(a) and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. The performance obligations for these contracts are generally completed when the clients are discharged from a program or facility, which generally occurs within days or weeks of the end of the reporting period.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

When the Organization receives funds in advance of the recognition of revenue, a contract liability (deferred revenue) is recognized. Contract liabilities represent services which have not yet been rendered. Contract Liabilities as of July 1, 2023 were \$249,857. The following is a summary of the Organization's contract liabilities as of June 30:

	 2025	2024			
Deferred Revenue	\$ 124,246	\$	143,806		

The Organization determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors, discounts provided to uninsured clients in accordance with the Organization's policy, and/or implicit price concessions provided to uninsured clients. The Organization determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policy(ies), and historical experience. The Organization determines its estimate of implicit price concessions based on its historical collection experience with this class of clients. The contract assets, net of allowance for current expected credit losses as of July 1, 2023 were \$553,970. The following is a summary of the Organization's contract assets, net of current expected credit losses as of June 30:

	 2025	2024			
Accounts Receivable, Net	\$ 505,022	\$	618,174		

Clients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Organization also provides services to uninsured clients, and offers those uninsured clients a discount, either by policy or law, from standard charges. The Organization estimates the transaction price for clients with deductibles and coinsurance and from those who are uninsured based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to government and contract Organization fee revenue in the period of the change. Additional revenue recognized due to changes in its estimates of implicit price concessions, discounts, and contractual adjustments were not considered material for the years ended June 30, 2025 and 2024. Subsequent changes that are determined to be the result of an adverse change in the client's ability to pay are recorded as credit loss expense.

Consistent with the Organization's mission, care is provided to clients regardless of their ability to pay. Therefore, the Organization has determined it has provided implicit price concessions to uninsured clients and clients with other uninsured balances (for example, copays and deductibles). The implicit price concessions included in estimating the transaction price represent the difference between amounts billed to clients and the amounts the Organization expects to collect based on its collection history with those clients.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the following factors:

- Payors (for example, Medicare, Medicaid, managed care or other insurance, client)
 have different reimbursement/payment methodologies
- Length of the client's service/episode of care
- Geography of the service location
- Method of reimbursement
- Program that the service relates to

Investments

The Organization's investments in debt and equity securities are recorded at fair market value based on published quotations, except estimates are used when such quotations are not available. Realized and unrealized gains and losses on investments are reflected in the statements of activities. Realized gains and losses on the sale of investments are calculated based on specific identification (see Note 2).

Subsequent Events

Management has evaluated subsequent events through November 5, 2025, which is the date the financial statements were available to be issued.

NOTE 2 FAIR VALUE MEASUREMENT

U.S. GAAP establishes a framework for measuring fair value. That framework uses a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. GAAP requires the Organization to maximize the use of observable inputs when measuring fair value. The hierarchy describes three levels of inputs, which are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 2 FAIR VALUE MEASUREMENT (CONTINUED)

The Organization's beneficial interest in assets held by Stark Community Foundation and The Cleveland Foundation are measured at fair value using the Level 3 category.

Fair value measurements at June 30, using significant unobservable inputs (Level 3):

		Principal		
	Fair Value	Unobservable		
Instrument	ment 2025		Inputs	
Beneficial Interest - Stark Community Foundation and The Cleveland Foundation	\$ 508,907	Net Asset Value	Value of Underlying Assets	
	Fair Value	Principal Valuation	Unobservable	
Instrument	2024	Technique	Inputs	
Beneficial Interest - Stark Community Foundation and The Cleveland Foundation	\$ 463,358	Net Asset Value	Value of Underlying Assets	

The following is a detail of purchases and sales of Level 3 assets inputs during the years ended June 30:

	 2025	 2024
Sales	\$ (2,116)	\$ (2,009)
Purchases/Gifts	2,090	2,012

There were no transfers in or out of Level 3 investments during the years ended June 30, 2025 and 2024.

Unrealized gains (losses) applicable to instruments valued using significant unobservable inputs (Level 3) are included in the statements of activities for the years ended June 30, 2025 and 2024.

NOTE 3 BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATIONS

The Organization has investments with the Stark Community Foundation (SCF) and The Cleveland Foundation (TCF). All contributions are held, invested, and managed by SCF and TCF. At June 30, 2025 and 2024 the Organization had three funds with SCF and one fund with TCF, as follows:

Maintenance Fund – Established for the purpose of funding maintenance, repairs, renovations, and additions to real property through use of the income generated from the fund.

Jim Bridges Memorial Fund – Established by the board to allow donations received in Jim's memory to be set aside for the Organization's benefit.

NOTE 3 BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATIONS (CONTINUED)

SCF Children's Fund – Established with perpetually restricted net assets along with some board-designated funds for the purpose of funding any expense deemed appropriate by the Organization.

TCF Children's Fund – Established by the board for the purpose of funding any general needs as deemed appropriate by the agency through income generated by the fund.

	2025		 2024
Maintenance Fund	\$	136,117	\$ 125,144
Jim Bridges Memorial Fund		17,582	16,165
SCF Children's Fund		220,327	202,566
TCF Children's Fund		134,881	 119,483
Total	\$	508,907	\$ 463,358

The income and appreciation are expendable to support the Organization's activities. The amount of income and appreciation expended by the Organization is subject to an annual review and approval by Organization leadership. The investments are in a pool of funds held by several financial institutions and are managed by SCF and TCF. The Organization does not control the investment of these funds.

In the event of any unforeseen contingency of a clear emergency nature, by reason of which expenditure of the principal of the fund is necessary to preserve the essential purpose of the Organization, the Organization may request, through its board of trustees, a distribution of principal. Any such request from the Organization requires the approval of at least a two-thirds majority of the Organization's board of directors. Any distribution of principal by SCF and TCF pursuant to such request must be approved by at least two-thirds of the members of the board of trustees of SCF and TCF, which approval shall not be unreasonably withheld.

SCF and TCF have been granted variance power in the event that the Organization ceases to exist and does not designate a substitute recipient that SCF and TCF find acceptable.

The composition of the Organization's Fund by net asset class for the years ended June 30, 2025 and 2024 is as follows:

				2025	
	With	out Donor	W	ith Donor	
	Re	strictions	Re	estrictions	 Total
Donor Restricted Funds	\$	-	\$	142,048	\$ 142,048
Board-Designated Funds		366,859			 366,859
Total	\$	366,859	\$	142,048	\$ 508,907
				2024	
	With	out Donor	W	ith Donor	
		nout Donor strictions		ith Donor estrictions	Total
Donor Restricted Funds					\$ Total 142,048
Donor Restricted Funds Board-Designated Funds	Re		Re	estrictions	\$
20	Re	strictions -	Re	estrictions	\$ 142,048

NOTE 4 LINE OF CREDIT

The Organization has available a \$370,000 line of credit with a bank which has a maturity date of February 28, 2026. There was no outstanding balance on the line of credit as of June 30, 2025 or 2024. All borrowings bear interest at Prime + 0.25% (7.75% at June 30, 2025) and are secured by all the Organization's assets.

NOTE 5 LEASES

The Organization leases equipment as well as certain operating and office facilities for various terms under long-term, noncancelable lease agreements. The leases expire at various dates through 2028 and provide for renewal options ranging from 12 months to 5 years. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. The following tables provide quantitative information concerning the Organization's leases for the years ended June 30:

	2025	2024
Lease Cost:		
Operating Lease Cost	\$ 220,329	\$ 224,401
Total Lease Cost	\$ 220,329	\$ 224,401
Other Information:		
Operating Cash Flows from Operating Leases	\$ 220,329	\$ 224,401
Right-of-Use Assets Obtained in Exchange for New		
Operating Lease Liabilities:	\$ -	\$ -
Weighted-Average Remaining Lease Term -		
Operating Leases	2.4 Years	3.3 Years
Weighted-Average Discount Rate - Operating Leases	5.13%	5.13%

A maturity analysis of annual undiscounted cash flows for lease liabilities as of June 30, 2025, is as follows:

Years Ended June 30,	0	perating
2026	\$	215,328
2027		191,735
2028		101,665
Undiscounted Cash Flows		508,728
Less: Imputed Interest		(29,557)
Total Present Value	\$	479,171
Short-Term Lease Liabilities Long-Term Lease Liabilities	\$	(196,244) (282,927)
Total	\$	(479,171)

NOTE 6 RETIREMENT PLAN

The Organization has a salary deferral plan under Section 403(b) of the Internal Revenue Code. The plan allows eligible employees to defer a portion of their compensation. All employees are eligible to participate in the deferral. The Organization matches fifty cents (\$.50) to the dollar (\$1.00) up to a maximum of six percent (6%) of pay that the employee invests. Retirement costs under this plan for the years ended June 30, 2025 and 2024 were \$51,086 and \$49,788, respectively.

NOTE 7 NET ASSETS WITH DONOR RESTRICTIONS

Purpose restricted net assets are available for the following purposes for the years ended June 30:

	2025	 	2024
Foster Care and Family Services	\$	 \$	122,692
Mental Health		 	47,700
Total	\$	 \$	170,392

Net assets were released from donor restrictions as expenses were incurred satisfying the restricted purposes or by the passage of time or the occurrence of other events specified by donors as follows for the years ended June 30:

	 2025	 2024
Foster Care and Family Services	\$ 122,692	\$ 16,420
Mental Health	 47,700	 25,244
Total	\$ 170,392	\$ 41,664

Perpetually restricted net assets consist of investments to be held indefinitely. The investments are held in a component trust of pooled income funds managed by the Stark Community Foundation. The restricted portion of this trust fund was \$142,048 at June 30, 2025 and 2024.

NOTE 8 LIQUIDITY

The following reflects the Organization's financial assets as of June 30, 2025 and 2024 reduced by the amounts not available for general use because of contractual or donor-imposed restrictions within one year of June 30:

	 2025		2024
Cash	\$ 1,895,751	\$	1,485,440
Accounts Receivable, Net	505,022		618,174
Total	 2,400,773	<u> </u>	2,103,614
Less: Those Unavailable for General Expenditures			
Within One Year Included in Amounts Above:			
Net Assets With Donor Restriction:			
Subject to Purpose Restriction	 		170,392
Total	-		170,392
	 _		
Financial Assets Available to Meet			
Cash Needs for General Expenditures			
Within One Year	\$ 2,400,773	\$	1,933,222

The Organization strives to maintain liquid financial assets sufficient to cover 12 months of general expenditures. Management could also draw upon the line of credit or board restricted investments in the event of an unanticipated liquidity need.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Pathway Caring for Children
Canton, Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pathway Caring for Children, which comprise the statement of financial position as of June 30, 2025, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pathway Caring for Children's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pathway Caring for Children's internal control. Accordingly, we do not express an opinion on the effectiveness of Pathway Caring for Children's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pathway Caring for Children's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
